Shirt Camicia

Giza 87

This precious collection of fabrics has been created with the best Egyptian Giza 87 cotton, cultivated in our own cotton fields in Egypt. Giza 87 fibre presents extraordinary and unique characteristics: the staple length is notably long, whilst the degree of brilliance is amongst the highest of all the extra-long staple Egyptian cottons, and guarantees a particular luminosity and brightness to the fabric. Albini exalts the characteristics of Giza 87, creating fabrics which do not degrade over time, and on the contrary, through numerous washes increase in softness, whilst the freshness and original brightness is absolutely maintained. The results are absolutely brilliant fabrics, soft and silky; a sensation that can be experienced every day when wearing a shirt made from the Giza 87 of Albini.
